ABOUT US

First Sky Construction Company belongs to Wasmi Holding Company which was established in 1975 by Wasmi Hamad Al Khaleeb, which includes group of highly skilled employees with years of on hand experience for forming highly skilled field of general construction, civil construction, mechanical construction and rental equipment. The company aims to provide sustainable solutions that promote economic growth and public welfare.

CHIEF EXECUTIVE OFFICER'S MESSAGE

At First Sky Construction, we aim to build meaningful projects that help Saudi Arabia grow. Since us beginning, we've focused on creating work that benefits communities. In line with Vision 2030, we're growing in infrastructure and development, delivering projects that match the nation's goals. Our values are based on honesty, innovation, and teamwork. Our people are our strength, and their hard work ensures we meet high standards of safety and quality. We're dedicated to building strong relationships and leaving a lasting impact.

We thank of our client for their valuable support; we truly look forward to continuing our services to them for many years to come. We will always strive to maintain excellence and leadership in business domains and we pledge our dedication in the execution of our Work.

Very truly yours

Muqrin Wasmi AlKhaleeb

Chief Executive Officer

First Sky Construction Company

OUR VISION

Our goal and concern are to provide reliable value-added construction services by adding innovation and providing state of the art equipment to our customer and become dynamic leader committed to quality and excellence through services.

OUR MISSION

Our mission is to remain reliable and efficient at the forefront of the Saudi construction and rental equipment industry through quality, honesty and hard work

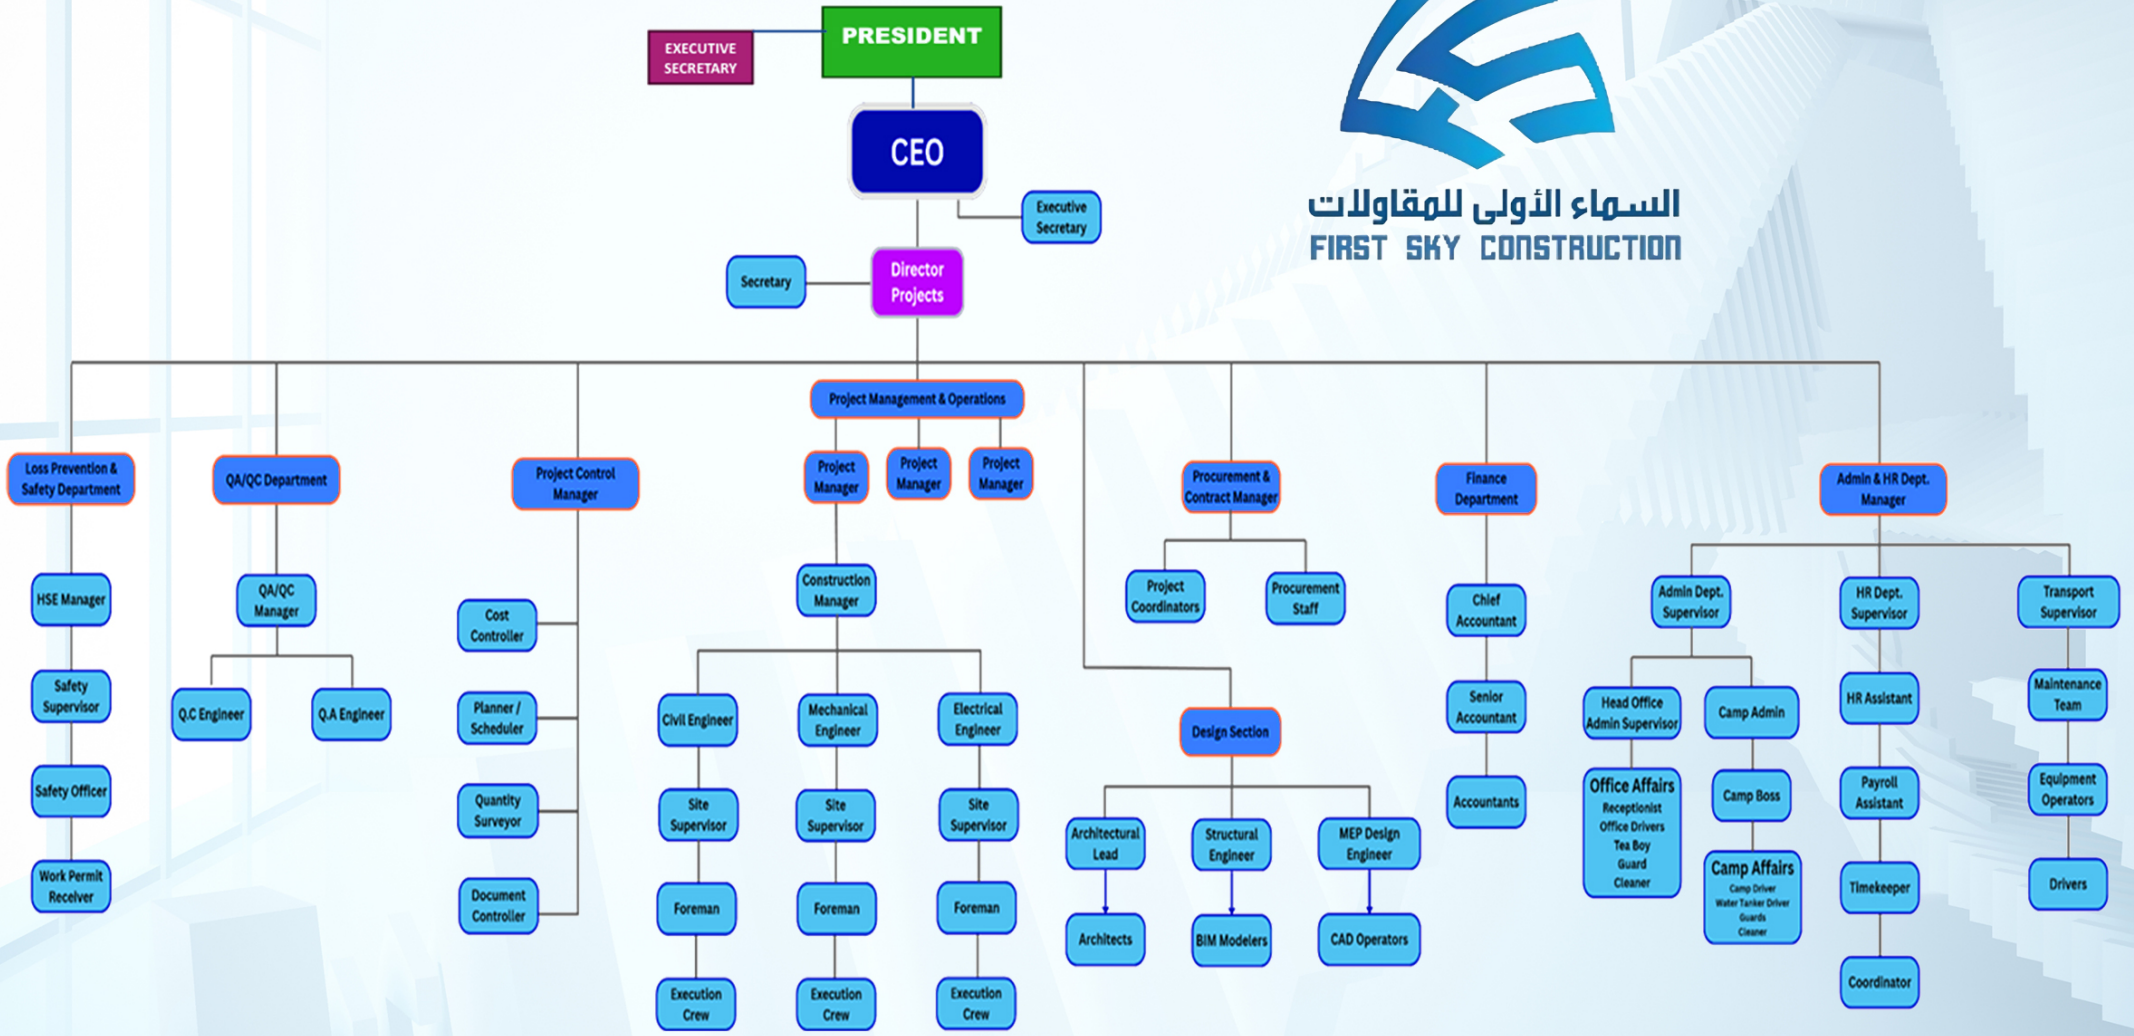

OUR VALUE

- We value Integrity: A fundamental value that demonstrates sound moral and ethical principles at work with Honesty, Trust and acting with honor and Truthfulness.
- We value Strong Work: Encompasses a positive and productive approach that relates to occupational responsibilities such as goal-setting, accountability, task completion, autonomyreliability, cooperation, communication, honesty, effort, timeliness, determination, leadership, volunteerism and dedication.
- We value Commitment: Proactive in attaining commitment and improve productivity toward responsibilities at work and complete task with sincerity and satisfaction.
- We value Performance: Planning, Prioritize, focus, set clear milestone, dedicated, creative and resourceful in sustaining success to work.
- And, we value Employee: Culturally diverse, talented, reliable, dependable and committed to the growth of company. An open relationship with every employee's based on mutual trust, respect and success.

ORGANIZATION HISTOGRAM

Registration Approval Letter

January 18, 2022

Attention : **FIRST SKY CONSTRUCTION COMPANY**

CR Number : 2050139440
Supplier Type: Service Provider Only
Country : Saudi Arabia

We are pleased to inform you that FIRST SKY CONSTRUCTION COMPANY is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10107702, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Moamar Khazal Al Usaimi, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Arriba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
